*Celebrating the Rainbow of Families in our World!*

**SUNDAY  
5MAY  
2024**

Even when we need to hide it

Even if it can't be written on our documents

Even if we need to fight in the tribunals, and march in the streets for our dignity and rights

Because we have chosen to be family

Even when the laws ignore or discriminate us

Because we are united by love, care and respect

Even if we have to explain it every day to our neighbours and to professionals

Because we share our happiness, troubles, ups and downs

Even if somebody says we shouldn't exist

Despite what some people think

No matter whether you already have, wish or just started building a family, whether your family is small, big, extended, recomposed, nuclear, same-sex, traditional, childless, numerous, single- or shared-parented, multigenerational, step, foster, reconstituted...

Because we are family...

Even when we have to leave our country to be able to marry, have children, find respect or just live

And we are happy and proud to be!

**WE**

**ARE**

**FAMILY!**
